

OCTOBER 1ST, 2018

Hi Everyone

It is that time of year again to start our renewal period. This year there are some changes we would like you to be aware of as it is important to your membership.

At our June meeting this year, the decision was made to cap our membership. The reason for this decision was to ensure that we do not get so busy that it will mean wait times for members to get onto a range to shoot. The membership was capped at 1000 memberships. Anyone wishing to become a member at this time will be put on a waiting list, and once our renewal period is over we will be able to contact some of these people and offer them a membership with our club.

That being said we have put a deadline for renewals to be returned to us in order to keep your membership current and in good standing and avoid being dropped to our waiting list. The drop dead date is: **DECEMBER 31ST, 2018**. Once we have surpassed that date if you have not renewed we will go to the waiting list and start to contact the first persons on that list to fill our membership until we reach our capped total of 1000. So please keep that in mind and do not delay in getting your renewal in on time.

We are however adding a little incentive this year for everyone to make it even more worthwhile to get your renewal in early. Anyone who gets their renewal in on time will have their name put into a draw for a pair of prescription eyeglasses (please see page 3 for details)

Other things to remember:

1. Please pick up your brass
2. All targets must be at the berm
3. All targets must be at eye level
4. Guest Policy – please review the details on our website (One guest per member at a time, \$20 guest fee to be paid –must be put in the mailbox at the road along with the copy of the guest permission, and must have written permission from the executive before bringing a guest.)
5. If you are not receiving your club newsletters and or other emails please contact Lynn at be added to the email list. laholmes@truespeed.ca
