

# COMMUNITY AND CLUB CLEANUP DAY

When the beautiful cover of white snow finally melts in the spring we are left with an unsightly scattering of trash on the side of our roads. What better time to get out with the family for some fresh air and to help clean up our community. It is also time to tidy up our club for another great season of outdoor sports. We are looking for volunteers of all ages to help.

Hot Dogs and Hamburgers served at our Club for everyone in the township that helps pickup trash along the roads.
